**Minutes**

Mayor Wilmoth explained the Application for Utility Connection/Availability from Home Paramount Pest Control, Inc. came in last week asking for an expedited approval of a sewer connection. They currently have a temporary septic tank and a temporary occupancy permit with Loudoun County and needs to have a permanent solution to their septic needs. All fees have been paid in full.

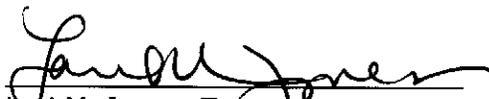

The property is in our service area but they are not in the Sewer Tax District. Mr. Snyder voiced concern about the dumping of pesticides in the sewer, but it is prohibited in our current ordinance and we should make Home Paramount aware of the restrictions when they connect.

Mr. Kesari made a motion to accept the application for the water and sewer connection for Home Paramount Pest Control, Inc. at 39026 E. Colonial Hwy, Hamilton, VA. Mr. Simpson seconded the motion. The motion passed by voice vote 6-0-1 (Aye: Wilmoth, Unger, Simpson, Kesari, Wine. Nay: none. Absent: Rollins).

Mayor Wilmoth informed the Town Council of a change from Valley Drilling to Broy & Sons for our well maintenance and repair needs.

Motion to adjourn by Mr. Wine at 6:15 PM.
